- No Gap Wall-mount[6]
- Samsung Smart Control
- Remote Model: TM-1890A (applicable to the 85" only)
- QLED Standard Remote (applicable to the 65", 75" and 82" models)
- One Connect Box
- OCB Fiber Optical Cable Length: 5M

INDUSTRY CERTIFICATIONS
- UHDA Ultra HD Premium
- CTA 4K Ultra HD Connected

KEY FEATURES

PRIMARY FEATURES

1. 8K RESOLUTION
Enjoy super high resolution that brings a new dimension of reality to your TV viewing experience. With more than 33 million pixels QLED 8K delivers a resolution that is 4 times higher than 4K Ultra HD and 16 times more than Full HD.[1]

2. 8K AI UPSCALING
With the power of machine learning and artificial intelligence, Samsung QLED 8K upscales 4K or lower resolution content to appear in stunning near-8K quality for improved details, sharpened edges and reduced noise.[2]

3. QUANTUM PROCESSOR 8K
The Quantum processor 8K delivers a truly adaptive experience, optimizing TV sound to match any viewing condition.

4. QUANTUM HDR 32X* | FULL ARRAY 16X
HDR technology produces maximum brightness while Full Array local dimming delivers a dynamic contrast between black and white for outstanding depth and picture quality.

Note: Quantum HDR 32X is applicable to 85", 82", and 75" sizes. For the 65" model replace Quantum HDR 32X with Quantum HDR 24X.

ADDITIONAL FEATURES

1. ONE INVISIBLE CONNECTION CABLE / ONE CONNECT BOX
The slim, near-invisible optical cable combines your power, video and audio gear to seamlessly join all of your TV's connected devices to the One Connect box. Everything is hidden from view freeing you from frustrating clutter.

2. NO GAP WALL-MOUNT
The No Gap Wall-mount places your TV flush against the wall, creating a seamless surface that integrates beautifully into your home. The only thing that stands out is the brilliant picture.[6]

3. AMBIENT MODE
When you're not watching TV, transform your black screen into something meaningful. With Ambient Mode, QLED 8K TV can mimic the wall pattern behind it to help blend in, plus overlay decorative art, personal photos or helpful information.[3]

4. 100% COLOUR VOLUME
Quantum dots express over a billion colours at 100% colour volume, resulting in accurate, rich and detailed colours in any light.[7]

5. NO BURN-IN GUARANTEE
Groundbreaking Quantum dot technology provides consistently bright, true-to-life colours that last with no burn-in over time, guaranteed.[8]

6. REAL GAME ENHANCER
Real Game Enhancer produces smooth motion and lifelike images free of tearing and stuttering, giving you excellent picture quality that is specifically designed for gaming. Auto detection identifies that a game is being played, kicking you into game mode automatically.

7. COMPATIBLE WITH YOUR DEVICES
Do more with your TV. Samsung QLED 8K syncs with your other Samsung devices as well as Amazon Alexa, Google Assistant, SmartThings and Airplay 2.[10]

8. SMARTTHINGS
SmartThings turns your TV into a dashboard for your smart home devices, from your refrigerator to your mobile device and other connected devices. Execute commands, control your devices and monitor your smart home without leaving the sofa.

9. BIXBY VOICE ASSISTANT ON TV
Spend more time watching and less time searching. Smart AI lets you easily search shows, movies and more through voice commands.[9]

10. SMART TV
With Smart TV, easily access your favourite apps and content through one simple portal – such as YouTube, Crave, Netflix, iTunes and more. In addition to streaming the content you love, your Smart TV automatically syncs to your compatible smartphone so you can control content on the big screen.[10]

11. BOUNDLESS DESIGN
Stunning from any angle, the boundless 360 design, crafted in a minimalistic style, integrates into your home effortlessly. The virtually bezel-free frame keeps your focus on the incredible picture, letting you enjoy our most impressive, immersive TV yet.
