H78G Series 4K Ultra HD Android Smart TV

COMMAND AND STREAM IN 4K ULTRA HD

With Android TV, stream over 500,000 movies and TV shows in stunning 4K Ultra HD resolution. Access popular apps such as Netflix, YouTube, Disney+, Twitch, and many more. Use your voice to ask the Google Assistant to find your favourite content and connect your Alexa-enabled devices for hands-free control. Activate Bluetooth® audio and jam to your favourite music or connect to Wi-Fi and discover more - you decide. The myriad of features are endless.

Did you know:

The H78G Series TV is equipped with Bluetooth® audio. Wirelessly connect a soundbar or headphones to enhance your audio experience.

Interact with your Hisense TV in the most natural way possible - by talking. Quickly access entertainment, get answers, and control smart devices around your home—all with just your voice.

AI scene recognition technology instantly identifies the video input, then intelligently adjusts the picture quality and sound settings to make the viewing experience as vivid and engaging as possible. Whether it's sports, action movies, cartoons, live shows, news, or any content you are watching, the AI automatically optimises it according to the content.

Dolby Vision™ HDR10 is a cinema-inspired technology that adds ultra vivid imaging, brightness, contrast, colour and detail that brings entertainment to life right before your eyes. The Hisense H78G Series TV transforms your viewing experience by combining these two technologies with impressive 4K picture quality.

The H78G Series TV features a slim minimalist design with a bezel-less frame. This means less bezel and more picture while streaming your favourite content.
