## Model: 65Q8G

Q8G Series 4K ULED™ Android Smart TV  
with Quantum Dot Technology

### HISENSE QLED PERFORMANCE

The Q8G Series TV proves to be in the elite class of 4K TVs — inside and out. The Hisense proprietary ULED™ technology, focuses on the most important areas of picture quality as it uses sophisticated processes to transform your entertainment, while Quantum Dot technology and Wide Colour Gamut brings the entertainment to life with billions of colours perfectly expressed. Motion is consistently smooth thanks to Motion Rate 240 and a 60Hz native panel with MEMC. Dolby Vision™ HDR10+ and Dolby Atmos™ combine to deliver visual and audio realism that brings the cinematic experience right to your home.

#### Did you know:

With the Android TV smart platform, you can watch more than 500,000 TV shows, movies, and popular apps like Disney+, Netflix, Twitch, YouTube and many more.

Hisense QLED technology unlocks over a billion colour combinations perfectly expressed. It's easier to feel connected to what's real while still enjoying incredible entertainment with the Q8G Series Android Smart TV.

The fusion of Dolby Vision HDR10+ picture and Dolby Atmos sound, transforms your TV into an entertainment powerhouse. These image and sound technologies from the cinema, now brought together in the home, providing amazing realism that you'll see, hear, and feel.

With higher peak brightness, the overall picture quality is brighter and high dynamic range is sharper with better highlights and detail than ever before. The Q8G Series TV displays brightness at 400-nits but can peak up to 700-nits across 90 local dimming zones; ensuring a superior HDR experience.

Chromecast is built into Android TV, so you can cast photos, videos, and music from your smart device to your big screen.
