ALEXA BUILT IN

My great features and amazing level of detail makes me perfect for fast action sports. The smooth motion on the Hisense H7709 series 4K UHD Smart TV gives you stunning picture quality that will make you popular with your friends while watching premium content from YouTube or Netflix. Use your mobile device to share your vacation photos to the TV, and watch the hottest videos from YouTube or 1,000+ Chromecast-capable apps.

ALEXA BUILT IN

Hisense TV in the most natural way possible -- by talking. Using your voice, you can play video and music*, change channels, adjust volume, control smart home devices*, and more. Alexa is the brain behind this - understanding and replying to questions in seconds. Alexa has infinite abilities -- we call these "skills".

You can now interact with your

MOTION RATE - MR120

Blinked and you missed it? Think again. The H7 is built with motion in mind. Motion Rate image processing makes it so you can keep your eye on the ball, chase scene, or multi-player battle. Gamers see lag times drop and viewers see all the key moments in live sports or action movies. Captivating scenes grab your attention – and keep it with smooth motion.

VIDAA U

VIDAA U is more than just a user interface, it's the new operating system for Hisense Smart TVs. Originally designed in Canada, it's fully-optimized for each one of our televisions. It's simple, fast and customizable. What more could you ask for?

DTS STUDIO SOUND

DTS Studio Sound[™]- post processing and psychoacoustic techniques are implemented to provide an immersive audio experience.
