- 5.1 ch 440W
- Meridian Audio Technologies
- High Resolution Audio (24bit / 96kHz)
- DTS Virtual:X
- 4K & HDR Pass-Through
- Eco-friendly Design

DESCRIPTION

Detailed home theatre sound in seconds

Bring home a great fit and simple setup. This LG sound bar and subwoofer immerse you in dimensional surround sound with 5.1 channels, Meridian Audio Technology and DTS:X.

KEY FEATURES

Meridian Audio Technologies

All-encompassing sound, uncompromising performance. LG partnered with Meridian Technology, pioneers of High-Resolution Audio, to combine advanced signal processing and refined hardware design. The result is an expanded soundstage with greater height, width and depth*.

*Compared to previous model

High Resolution Audio (24bit / 96kHz)

LG Sound Bar SP7Y delivers 24bit/96kHz High-Resolution Audio. This produces more accurate sound reproduction so you hear everything exactly as you're supposed to.

DTS Virtual:X

Hear every detail. Transform any movie, TV show or playlist into an immersive, multidimensional audio experience. DTS Virtual:X envelops the listener with Virtual Height and Virtual Surround channels, plus enhanced bass and crystal-clear dialogue.

Eco-friendly Design

LG Sound Bar SP7Y looks as good as it sounds with stylish side panels, elevated controls, and premium fabric. Every detail has been carefully considered to create a pleasing aesthetic that complements both your TV and home decor.
